Ms. Kim Davis
Agent for Wolfkill Feed & Fertilizer Corp.
RegWest Company, LLC
8209 West 20th St., Suite B
Greeley, CO 80634-4699

Subject: Notification per PRN 98-10 – Adding an Alternate Brand Name and Label Re-Formatting
Product Name: All Pro Products Lawn Food with Moss Control
EPA Registration Number: 9240-8
Application Date: October 26, 2017
Decision Number: 541044

Dear Ms. Davis:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The label submitted with the application has been stamped “Notification” and will be placed in our records. Additionally, the alternate brand name “ALLPRO PRODUCTS LAWN FOOD WITH MOSS CONTROL 12-0-4” has been added to the product record. Per your request, the two previous alternate brand names, “TRUGREEN/CHEMLAWN STEP ONE MOSS CONTROL 25-2-10” and “MASTER NURSERYMEN MOSS CONTROL WITH LAWN FERTILIZER 12-4-8” have been inactivated.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact me at 703-305-1243 or via email at montague.kathryn@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Kathryn V. Montague".

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Keep out of the reach of children. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing of dust and contact with skin, eyes or clothing. Causes moderate eye injury. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling.

Environmental Hazards

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on

a driveway, sidewalk or street, back onto the treated are of the lawn or garden will help to prevent run off to water bodies or drainage systems.

Spreader Settings		
Name of Spreader	Pounds of Product to Apply/1,000 sq. ft.	
	Normal Feeding	Heavy Moss Infestations

Gentle Greening for 8 Weeks Non-Burning

ALL PRO Lawn Food with Moss Control contains a well-known moss control ingredient (iron sulfate) plus an all-natural lawn food blend. This fertilizer won't just feed the grass for today; It continues to fee your grass for up to 8 weeks.

Forget frequent feedings and surge fade greening ALL PRO Lawn food with Moss Control feeds your soil with the finest slow-release, natural, plant food ingredients.

Using ALL PRO Lawn Food with Moss Control season after season helps build strong roots that go deep. These deep roots encourage a thick, deep green turf in spring, helps them to find water in the hottest of summer weather, and results in turf that withstands winter weather.

Benefits:

- Has enhanced coverage because of miro-sized fertilizer particles.
- Low dust formulation because it's just a two-particle fertilizer.
- Contains 100% available nitrogen (no slow release).

Application Precautions:

- Caution, product contains ferrous sulfate, which will stain sidewalks and cart paths.
- Clean hard surfaces after application.

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals CAUTION

Keep out of the reach of children. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing of dust and contact with skin, eyes or clothing. Causes moderate eye injury. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling.

Environmental Hazards

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk or street, back onto the treated are of the lawn or garden will help to prevent run off to water bodies or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for use on plants being grown for sale or other commercial use, or for commercial seed production, or for research purposes. For use on plants intended for aesthetic purposes or climatic modification and being grown in ornamental gardens or parks, or on golf courses or lawns.

Use Precaution: Will stain paint or concrete. Remove spillage immediately by sweeping or washing off sidewalks, driveways or other concrete or painted surfaces. Use anytime moss is a problem. Repeat if needed. Rake lawn lightly to remove leaves and dead grass. Mow lawn to expose moss and to allow fertilizer to enter soil readily. Apply with spreader at recommended rates. **Water lawn immediately after application.**

Normal Feeding

For normal control of moss, apply at the rate of four pounds per 1,000 square feet. A 20-pound bag covers 5,000 square feet; a 40-pound bag covers 10,000 square feet, properly applied. This application will provide turf with 1/2 pound of nitrogen, 1/3 pound of iron, per 1,000 square feet, plus phosphorus and potash essential to this early spring treatment.

Heavy Moss Infestations

For heavy infestations of moss, apply at the rate of eight pounds per 1,000 square feet. A 20-pound bag covers 2,500 square feet; 40-pound bag covers 5,000 square feet, properly applied. This application will provide turf with 1 pound of nitrogen, 2/3 pounds of iron per 1,00 square feet, plus phosphorous and potash.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store this product only in its original container in a dry, cool, secured storage area. **Container Disposal:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Spill: In case of spill, sweep up product and dispose of material according to "Disposal" directions listed above.

(Optional storage and disposal statement – when sold for non-residential use.)

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store this product only in its original container in a dry, cool, secured storage area. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling if available or dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned stay out of smoke.

Spill: In case of spill, sweep up product and dispose of material according to "Disposal" directions listed above.
